Contact details:

"Complaint and Consultation Desk for Personal Information"

Person in Charge: General Manager, Corporates Division

Dentsu Digital Inc.

Address: 1-8-1, Higashi-shimbashi, Minato-ku, Tokyo 105-7001 (Dentsu Headquarters Building)

E-mail: privacy-info@group.dentsu.co.jp

* Please note that any request for disclosure by visiting the Company's office will not be accommodated.

(2) The Company will confirm the identity of the principal.

<Requests by postal mail>

Please send the Company a principal's identity verification document (i.e. a copy of either a driver's license, passport, or health insurance card).

<Requests by e-mail>

To confirm the data registered with the Company, the Company will contact the principal.

* If any information other than that provided by the identity confirmation document, any sensitive information (such as registered domicile or health information), or family information is included, please black out such information in advance to ensure that it is not identifiable.

(3) In the case of application by an agent, please enclose the following documents:

- Power of attorney
- The principal's registered seal certificate
- The agent's identity verification document (i.e. a copy of either a driver's license, passport, or health insurance card)

* If any information other than that provided by the identity confirmation document, any sensitive information (such as registered domicile or health information), or family information is included, please black out such information in advance to ensure that it is not identifiable.

(4) Upon successfully confirming the identity of the principal, the Company will promptly disclose the information.

3. Information Disclosure

If the Company does not have the relevant personal information or if the disclosure, etc. cannot be made for any other statutory reasons specified below, the Company will separately contact the principal:

- a) The life, body, property, or other rights or interests of the principal or a third party is likely to be damaged;
- b) The proper execution of the services of the business operator is likely to be significantly hindered;

- c) Applicable laws or regulations may be violated;
- d) The life, body, property, or other rights or interests of the principal or a third party is likely to be damaged if the Company informs him/her of the purposes of use thereof or if the purposes of use are publicized;
- e) The proper execution of services of the business operator is likely to be significantly hindered if the Company informs him/her of the purposes of use thereof or if the purposes of use are publicized; or
- f) It is necessary to cooperate with a national agency or local government in the execution of affairs specified by applicable laws and regulations, and the execution of such affairs may be hindered if the Company informs the principal of the purposes of use thereof or if the purposes of use are publicized.

4. Documents submitted upon Disclosure, etc.

The Company will retain documents submitted upon request of disclosure, etc. for one (1) year after completion of a response to such request, and the Company will dispose of the same thereafter.
